## **EMPLOYMENT OPPORTUNITY**

### **Epidemiologist**

### **Greater Boroughs Partnership for Health**

The Greater Boroughs Partnership for Health, through the Town of Northborough is seeking candidates for the part-time position of Epidemiologist. Position will be responsible for assisting municipal public health directors and staff, as well as chief municipal officials within the Greater Boroughs Partnership for Health in research and development, implementation, and communication of epidemiological aspects of traditional public health efforts.

The Greater Boroughs Partnership for Health is a collaboration among the towns of Northborough, Southborough, Westborough, and Boylston to provide professional public health services and programs for the member communities. The Epidemiologist will be an employee of the Town of Northborough but will provide epidemiological services to all four communities included in the health partnership. This position is funded through a grant from the State Department of Public Health, Bureau of Infectious Disease and Laboratory Science.

Successful candidate will have a master's degree or higher from an accredited college or university with specialization in epidemiology, biostatistics, or a closely related public health field or a bachelor's degree in a public health related field and three (3) years of experience in designing and conducting epidemiological studies and interpreting epidemiological or demographic data. Any equivalent combination of education and experience that provide the skills necessary to do the job will be considered.

Hours of work are flexible and not to exceed 19 hours per week. This is a non-benefitted position. Salary \$35 per hour (+/-), depending on qualifications. Interested applicants should submit a resume and cover letter to: [townadmin@town.northborough.ma.us](mailto:townadmin@town.northborough.ma.us). First review of applicants to occur on 12/13/2021. Position will remain open until filled.
