Chief of Police

February 12, 2021

Kerri Martinek, Chair  
Northborough Planning Board  
63 Main Street  
Northborough, MA 01532

Ref: 0 Bartlett St.

Madame Chair,

I offer the following comments for the Boards consideration at your next meeting:

- All traffic, particularly heavy commercial vehicles, should be required to arrive and depart on Bartlett St. from the east / southeast.
- A driveway configuration that prompts this restricted traffic movement should be designed while also accommodating emergency vehicles arriving from the north on Bartlett Street.
- Municipal signage on Bartlett Street at the end of the driveway/road to 0 Bartlett to indicate left turn only onto Bartlett St.
- No Parking along the roadway/driveway.
- No idling of commercial vehicles onsite to be allowed.
- Should a future facility have scheduled deliveries and departures, a waiting lot or area for trucks / commercial vehicles to wait in onsite should be required as Bartlett St. is a no parking street.

Respectfully,

A handwritten signature in black ink that reads "William E. Lyver".

William E. Lyver, Chief of Police
