Diane-

I wanted to let you know about an issue with the new Seasonal Staff D for payroll. Last year Recreation noticed that Seasonal C ends with \$20.25/hour. Seasonal D starts at \$25/hour. We need to pay summer staff between \$20.25 and \$25/hour. We asked for this to be corrected last year, but with staffing changes, I don't believe it was. Can you please talk to the Personnel Board about correcting this? We either need Seasonal D to start at \$20.25 - \$60 or have Seasonal C end at \$25. I have adult teachers that I was to hire for \$23/hour this summer. Thank you.
