Northborough Zoning Board of Appeals
c/o Ms. Kathy Joubert, Town Planner/Staff Liaison
63 Main Street
Northborough, MA 01532

Dear Kathy, Fred, and Members of the Northborough ZBA,

Christina and David Mofford at 313 Brigham Street, Northborough are seeking a zoning variance to install an inground swimming pool in Groundwater Protection Overlay District Area 1. I support their request for variance and have no concerns regarding the impact of the installation of a pool on the neighborhood or public good at large. I also do not believe that it will substantially derogate from the purpose or intent of the Groundwater Protection Bylaws. This project will not alter the residential use of this property and is akin to the many other properties in the surrounding area which have a pool.

Sincerely,

Signature
